

LIFE

1975 - Roberto Monsani

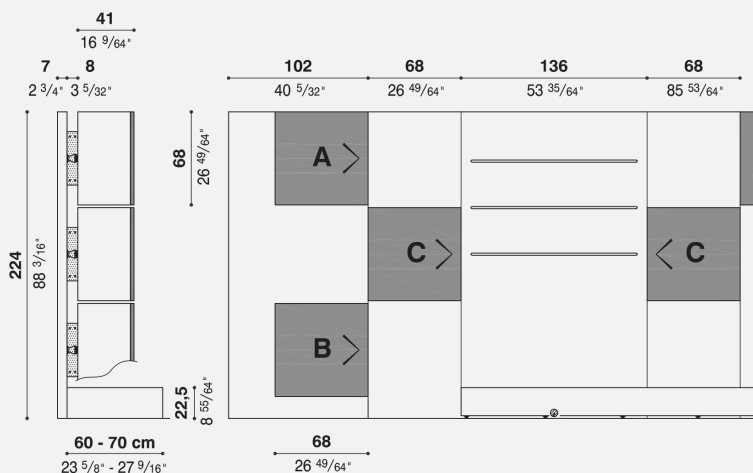

Description

Boiserie system featuring light and dark, empty and full, volumes and horizontal lines. Small instances of architecture that carve out space to create a harmonious balance between form and function. Hanging containers alternate with empty spaces, slightly underlined by shelves, to satisfy the very latest needs of a contemporary lifestyle: to put away, to rest, to hang and to showcase. Lights, cleverly inserted between the units and the wainscoting, to evidence the contrast between the volumes, to provide extra value for the functions, to highlight the objects.

Finishings

Panels lacquered matt or glossy in the colors: White, White SW, Ghiaia Grey, Lino, Sabbia. Cubes in the colours: White, White SW, Ghiaia Grey, Pietra Grey, Fumo Grey, Lino, Sabbia, Warm Grey, Argilla, Black. Doors matt or glossy lacquered, body of the cubes only matt finish. Special spacers in matt methacrylate hide a light-source that diffuse the light outside and inside the unit via a porthole in the back panel.

Technical info

Materials

LACQUERED PANELS AND TOPS:

Chipboard panels with shiny lacquer finish or embossed polyurethane paint.

UPRIGHTS:

Folded steel sheet, protected by zinching.

TECHNICAL STRIP FOR BASE SHELVES:

Methacrylate, sandblasted on both sides.

Chipboard panels with shiny lacquer finish or embossed polyurethane paint. White backing board with synthetic finish.

DRAWERS AND TRAYS:

Chipboard panels with embossed polyurethane paint.

CD/DVD HOLDER:

Extruded, anodised, neutral aluminium.

GLASS SHELVES:

Clear float glass.

WINDOW:

Printed transparent polycarbonate.

SPACERS FOR CONTAINERS:

Methacrylate, sandblasted on both sides.

MAINTENANCE NOTES

PARTS WITH A SYNTHETIC FINISH:

gently rub down with a damp cloth using alcohol or similar products for cleaning glass.

ALUMINIUM PARTS:

gently rub down with a damp cloth (alcohol only).

WOODEN PARTS:

gently rub down with a damp cloth (water only). Do not use alcohol or detergents.

METHACRYLATE PARTS:

Rub smoothly with a dry dust-cloth. Use a damp cloth to remove fingerprints. Do not use alcohol or detergents.

GLASS PARTS:

gently rub down with a damp cloth using any of the products currently available on the market for cleaning glass.

VARNISHED PARTS:

gently rub down with a damp cloth (water + neutral soap). Do not use alcohol or detergents.

USE CAUTIONS

Important: before replacing the light bulbs, carefully read the technical data and instructions in the light pack. Only qualified professional electricians should service the electrical parts.

Do not use in an improper way. In particular, do not climb or sit on it or rest heavy objects on it or any item for which the product has not been specifically designed.
