

# POND

2006 - Marco Acerbis

## Description

Family of cocktail tables, side tables, occasional tables with different heights and width. While the conical base tends to disappear in the shadow, the top is raised from the ground and lives of intriguing reflections and shades of colours. The reflections of the glass top, whose perfectly glossy surface mirrors everything around, recreating the mystic reflection effect of perfectly still water, or those of the marble top, for the rich grains and mosaic of minerals it is made of. Base made from molded polyurethane BAYDUR®60, lacquered with glossy finishes. Top in back-lacquered glass or in stone. 120cm version on wheels, hidden inside the base, removable
