

SHERATON

1977 - Giotto Stoppino, Lodovico Acerbis

Description

A design icon, a timeless classic.

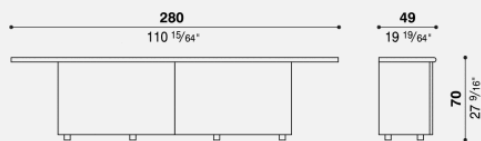

A container with particularly large doors opened by means of an exclusive system, "scivolorotante" (sliding pivot), which combines sliding and hinged movements. Sheraton has introduced a new relationship between a closed unit of extreme simplicity and formal purity and an open multi-use unit with sliding, aligned doors.

The evolution of a model whose design has such formal perfection that it has remained unchanged since 1977 can only involve the introduction of finishes and materials that further emphasize its value without changing its essence. Just like the new interiors, in matte, tone-on-tone shades, with a smooth, silk-effect finish to match the parts in black Eucalyptus wood.

Finishings

Top and doors glossy-lacquered in 14 colours. Case in matte lacquer, in the same colour as the exterior. Drawer, bottom panel, and internal sides in veneer black Eucalyptus. Frames in chromed metal. Transparent glass shelves. Colours: Black, White, White SW, Ghiaia Grey, Pietra Grey, Fumo Grey, Lino, Sabbia, Warm Grey, Argilla, Red NY, Red Vico, Blue Iseo, Green Iseo.

Technical info

MAINTENANCE NOTES

PARTS WITH A SHINY LACQUER FINISH:

gently rub down with a damp chamois leather or similar (water + a little neutral soap).

PARTS WITH A SYNTHETIC FINISH:

gently rub down with a damp cloth using alcohol or similar products for cleaning glass.

CHROME-PLATED PARTS:

use any of the products currently available on the market for cleaning chrome-plating.

WOODEN PARTS:

gently rub down with a damp cloth (water only). Do not use alcohol or detergents.

GLASS PARTS:

gently rub down with a damp cloth using any of the products currently available on the market for cleaning glass.

VARNISHED PARTS:

gently rub down with a damp cloth (water + neutral soap). Do not use alcohol or detergents.

USE CAUTIONS

Do not use the product in an improper way. In particular, do not climb or sit on it or rest heavy objects on it or any item for which the product has not been specifically designed.
