

Napoleone

Year	1973 - 2023
Designer	Claudio Salocchi

Salocchi launched the family of tables, coffee tables and display stands *Napoleone* during the 15th Milan Triennale in 1973. Napoleone features simple, geometric outlines and materials that were far from common in the furniture present in the traditional houses of the time. Acerbis offers two coffee tables, revisited and enhanced by the distinctive polyester lacquering in the colour palette which features the vivid colours of vintage sports cars.
