

Spiros

Year	1987 – 2021
Designer	Vico Magistretti

“Simplicity is the most complex achievement in the world,” said Vico Magistretti. His virtuosity with purified design is evident in his first creation for Acerbis: the Spiros coat hanger. In fact, here he used a change of perspective to transform an everyday object – the broomstick – into an object of captivating essentialism, a coat hanger.

Dimensions

L 33
H 190
